Create a Bucket in IBM object storage.

The screenshot displays the IBM Cloud Object Storage interface. The left sidebar shows the navigation menu with 'Buckets' selected. The main content area shows the details for a bucket named 'smartfashion3'. A green notification banner at the top right states: 'A bucket created successfully! The bucket smartfashion3 has been created and is now available to add'. Below the notification, there is a search bar and a table with columns: Object name, Archived, Size, and Last modified. The table is currently empty. Below the table, there is a section titled 'Objects' with a description: 'Drag and drop files (objects) to upload. An object is your data in fixed form.' and a dashed box for uploading files. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 11:17 AM on 11/1/2022.
