CREATE AN IBM ACCOUNT:

The screenshot shows the IBM Cloud dashboard for user Anbarasi S. The interface is dark-themed. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account. The main content area is titled 'Dashboard' and features a 'For you' section with several cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Explore IBM Cloud Shell' (Try a command-driven approach for creating, developing, and deploying a web project), and 'Get started with Watson Discovery' (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code). Below this, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The right sidebar shows the user's profile, 'Anbarasi S', with links for Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The bottom of the image shows a Windows taskbar with several open applications, including a search bar, file explorer, and various PDF documents.
